# **EXPLANATORY NOTE**

## **ZONING BY-LAW NO. 82 - 2008 OF THE CORPORATION OF THE TOWNSHIP OF NORTH HURON**

### **Preamble**

The Zoning By-law was passed on December 1st, 2008 under Section 34 of The Planning Act. It implements the Official Plan for the Township of North Huron which was adopted by the Council of the Township of North Huron on December 20th, 2004.

The Zoning By-law comprises both text and zoning maps on which is delineated the various zones created in the By-law.

### **Purpose**

The purpose of this By-law is to provide the Corporation of the Township of North Huron with regulations which will affect control over all forms of land use or other related matters within the Township.

### **Basis**

Such regulations have been deemed necessary and in the public interest by local Council in order that possible conflicts between existing and proposed land uses can be minimized or reduced in the future.

### **Affected Lands**

The lands directly affected by this By-law can be described as consisting of all properties lying wholly or partly within the corporate limits of the Township of North Huron.

### **Existing By-Laws**

From the coming into force of this By-law, all previous by-laws of the Township, passed pursuant to Section 34 of The Planning Act, R.S.O. 1990, as amended or a predecessor thereof, shall be deemed to have been repealed.

### **Duration**

It is the intention of the Council that this Zoning By-law will be effective until circumstances change to such a degree that a revision and updating of the By-law is required. Additional uses for specific lands may be permitted by means of a rezoning or amendment to the Zoning By-law. It is the intention of the Council to accept and review applications to amend the Zoning By-law in order to allow the establishment of uses which are permitted by the Township of North Huron Official Plan.

### **Effect**

This Zoning By-law is designed to regulate by prohibition all new development except that specifically allowed in the By-law. This By-law will, however, give Township Council the legal authority to review the merits of any new use which is not specifically allowed by the By-law. If Council, after studying a proposal for a new use, is satisfied that the new use is in the best interests of the Township, the new use may be permitted provided that a separate By-law amending this By-law is passed which would permit the new use on the specified parcel of land subject to appropriate regulations.

THE ZONING BY-LAW  
OF THE CORPORATION  
OF THE TOWNSHIP OF NORTH HURON  
BY-LAW NO. 82 - 2008

BEING A BY-LAW, UNDER THE PROVISIONS OF SECTION 34 OF THE PLANNING ACT, R.S.O., 1990, AS AMENDED TO REGULATE THE USE OF LANDS AND THE CHARACTER, LOCATION AND USE OF BUILDINGS AND STRUCTURES AND TO PROHIBIT CERTAIN BUILDINGS AND STRUCTURES IN VARIOUS DEFINED AREAS OF THE CORPORATION OF THE TOWNSHIP OF NORTH HURON.

WHEREAS the Council of the Corporation of the Township of North Huron considers it advisable to regulate the use of land situated within the defined areas, as hereinafter designated, for the purpose of preventing any further development which would create an adverse effect on the Corporation, and to prevent the use of lands that would jeopardize future orderly development and expansion, and to protect the natural environment.

NOW THEREFORE the Council of the Corporation of the Township of North Huron ENACTS as follows:
